Provident Fund Account

1. Prior to 01.04.2007, the Accounts of IIT Delhi Provident Fund were included in the Annual Accounts of IIT Delhi. In order to introduce Accrual System of Accounts in the standard format prescribed by Government of India and in view of the fact that the Provident Fund belongs to the members and not the Institute, the Provident Fund accounts have been separated from the Institute's accounts from 01.04.2007. Accordingly, a separate Receipts and Payments Account, Income and Expenditure Account (on accrual basis) and Balance Sheet have been prepared and annexed to the Institute's Accounts.
2. The Provident Fund Account is maintained with State Bank of India, IIT Delhi, Hauz Khas Branch New Delhi.
3. The subsidiary records e.g. subscriber's ledger, BROADSHEETS etc. are maintained by Provident Fund Cell of the Institute.
4. Income from investment of Provident Fund accumulation is credited to Provident Fund Reserve & all liabilities on account of interest etc. credited to the subscriber's accounts are met from this reserve. The balance in the reserve fund is maintained to cover the shortfall in the earnings from investment to the liabilities to subscribers, if any, in future.
5. The accumulated Provident Fund has been invested generally in accordance with the pattern of investments for Provident Fund laid down by the Ministry of Finance.
