HAUZ KHAS, NEW DELHI - 110 016
(Establishment I Section)

संख्या/ No. IITD/IESI/2023/218693

दिनांक/ Dated 01.12.2023

Subject: Guidelines for Faculty Research Travel Award (FRTA).

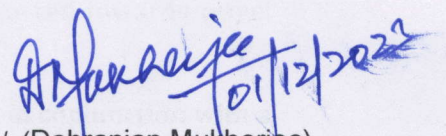

RESOLUTION NO. BG/17/2023	RESOLVED THAT: The proposal for the revision of guidelines on Faculty Research Travel Award (FRTA) as given below at S.No. A to D be approved. RESOLVED FURTHER THAT the Director be empowered to make operational decisions related to implementation, as required, within the purview of the FRTA guidelines. RESOLVED FURTHER THAT the Financial usage of FRTA will be reported annually to the Board through the Finance Committee.
----------------------------------	--

The Board of Governors approved the following modifications in the FRTA guidelines:

- The number of travel awards, supported annually through FRTA, is not fixed, and would vary depending on the number of travel requests received and the amount granted per request.
- The FRTA will prioritize applications from faculty who have not availed it in recent years.
- Persons with adequate PDA (*) balance should first utilize the PDA. If there is insufficient balance in their PDA, the shortfall will be granted by the committee.
- The FRTA will be awarded four times in a year with announcements each quarter.

(*) PDA balance will include the allocation of Rs. 3 lakhs for the current block of three (3) years and any unspent PDA balance from the preceding block period of three (3) years as well as Rs. 1 lakh of extended PDF allocated by IRD.

The detailed guidelines for availing FRTA are attached as Annexure I.

- Heads of all the Academic Units

Annexure-I

Revised Guidelines for Faculty Research Travel Award (FRTA)

Faculty Research Travel Award (FRTA) was instituted in 2007 by IIT Delhi alumnus, Sh. Anurag Dikshit. The purpose of the award was to support international travel of faculty members for strengthening and promoting collaboration and research at IITD. The revised guidelines and procedure to avail FRTA is given below:

Eligibility:

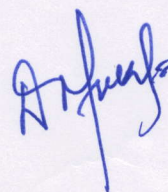

The following are eligible:

1. Faculty members who hold a full-time appointment at IIT Delhi at the time of proposed travel are eligible. This includes:
 - a. Teaching academic staff including those who are on probation or those who hold a contractual appointment for at least one year.
 - b. Regular faculty who has superannuated but who have been re-employed in IIT Delhi. Travel must be within the employment period.
 - c. Non-permanent faculty members including Emeritus Professor, Professor of Practice (PoP), Visiting Professor, Visiting Faculty, or one who is on deputation from another institute for at least one year, or one who is appointed against a Chair sponsored by industry or alumni.
2. A member of the non-teaching academic staff or administrative staff who is not covered by the above classification may be considered on a case-to-case basis.

Travel Award:

Financial support is available to cover additional expenditure incurred towards travel outside India for the following:

- a. Visit to one or more universities or industrial organizations in conjunction with a trip whose main purpose is to participate in a conference, seminar, workshop, etc., which is funded by IIT Delhi or elsewhere.
- b. Visit by a supervisor to a university/research laboratory abroad in conjunction with a visit of a Ph.D. student under at least one semester exchange programme to strengthen research collaboration.
- c. Participate in an event whose purpose is to network with IIT alumni or to attend an alumni-sponsored meeting or conference that concerns R&D initiatives, technology development or Industry Institute interaction, and
- d. Any other event which is considered important by the FRTA Committee.

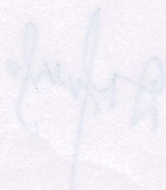

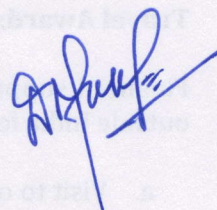

Nature of Award:

Financial support for travel may be used to cover travel, boarding and lodging, DA, registration, visa, health insurance and other related expenses as per Institute PDA rules for travel.

Application and Award Procedure:

- a. The number of travel awards, supported annually through FRTA, is not fixed, and would vary depending on the number of travel requests received and the amount granted per request.
- b. Persons with adequate PDA balance should first utilise the PDA. Therefore, one qualifying criteria for a request to be considered under FRTA is that the current available PDA balance should be $\leq$ 1lakh, and the amount requested is a deficit in the estimated cost of travel. The shortfall in the estimate will be granted by the committee. The available PDA balance will be considered inclusive of the additional extended PDA of Rs. 1 lakh from IRD.
- c. An applicant who has been awarded FRTA once will not be considered for the next 3 years.
- d. A maximum amount of Rs 1.5 lakhs may be sanctioned by the FRTA committee.
- e. Faculty members will submit their FRTA applications online through ERP. The request should be submitted 2-3 months before their travel dates.
- f. Four meetings of the FRTA committee will be held annually during the months of January, April, July, and October. All applications received till 30th/31st of the preceding month, i.e., December, March, June, and September shall be reviewed in the quarterly meetings.
- g. The awards will be announced latest by the end of January/April/July/October.
- h. All awardees would be required to submit their bills and settle the advance received (if any) within one month of completing the travel as per PDA rules.
